

# SEEDLING VOL 6 | NOV 2023

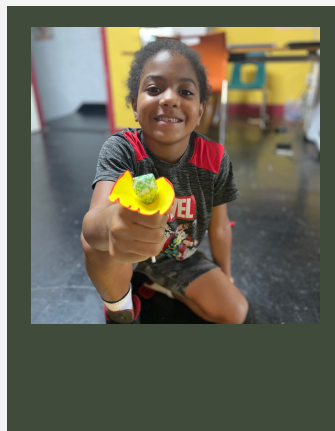

## Community Events

Seedling is excited to be out in Baltimore to share our mission and meet community members! Follow us on social media for details about any of the following:

After spending the summer re-imagining our **curriculum** and branching out into a broader **community** network, Seedling is excited to be back with another installment of our newsletter for Nov. 2023!

In **classrooms**, students have been enjoying **hands-on** demonstrations including leaf chromatography (top), lollipop flower crafts (right), and reflections on experiments (bottom). We love seeing their big smiles!
